PATENT

Documents FA to FH are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof. English abstracts attached to documents FE and FF are English abstracts of laid-open publications of the corresponding Japanese patent applications.

Documents DA and DB are in the English language. Therefore, no concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98.

Please note that documents FA to FD have been cited in the International Search Report of the present application. A copy of the International Search Report is being filed concurrently herewith. Please also note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

Documents FE, FF and DA are described in the paragraph beginning on page 1, line 23, of the specification of the present application. Document DB is described in the paragraph beginning on page 2, line 5. Document FG is described in the paragraph beginning on page 2, line 12. Document FH is described in the paragraph beginning on page 3, line 13. Document FD is described
